Subject: City of Portland Comments on the I-5 Rose Quarter Improvement Project Environmental Assessment

Dear Ms. Cline and Ms. Channell:

Please find the attached document, Exhibit A, which provides comments from the City of Portland on the I-5 Rose Quarter Improvement Project Environmental Assessment (EA) and supporting documents.

The comments were assembled from various bureaus with subject matter expertise and responsibility for the appropriate EA topic areas.

Portland Streetcar will be responding separately through Portland Streetcar, Inc. although as the systems manager, the PBOT Streetcar Division has also provided comment as part of this submission.

As a Participating Agency we appreciate the opportunity to comment and look forward to continued participation as the EA is completed and design work begins. If you have any questions, please contact me.

Sincerely,

Chris Warner, Interim Director
Portland Bureau of Transportation
