

I-5 ROSE QUARTER IMPROVEMENT PROJECT

Throughout the Environmental Study phase of the I-5 Rose Quarter Improvement Project, ODOT and the City of Portland have been reaching out to community organizations and local agencies to keep the community informed and seek input on proposed improvements. Below is a list of community presentations and events attended by the project team since winter 2016. The project team is still conducting briefings and this list continues to grow. If you know of any groups or organizations that would like to receive a briefing, reach out to the project team at info@i5RoseQuarter.org or by phone at 503-423-3760.
